

W Y O M I N G CAREERS®

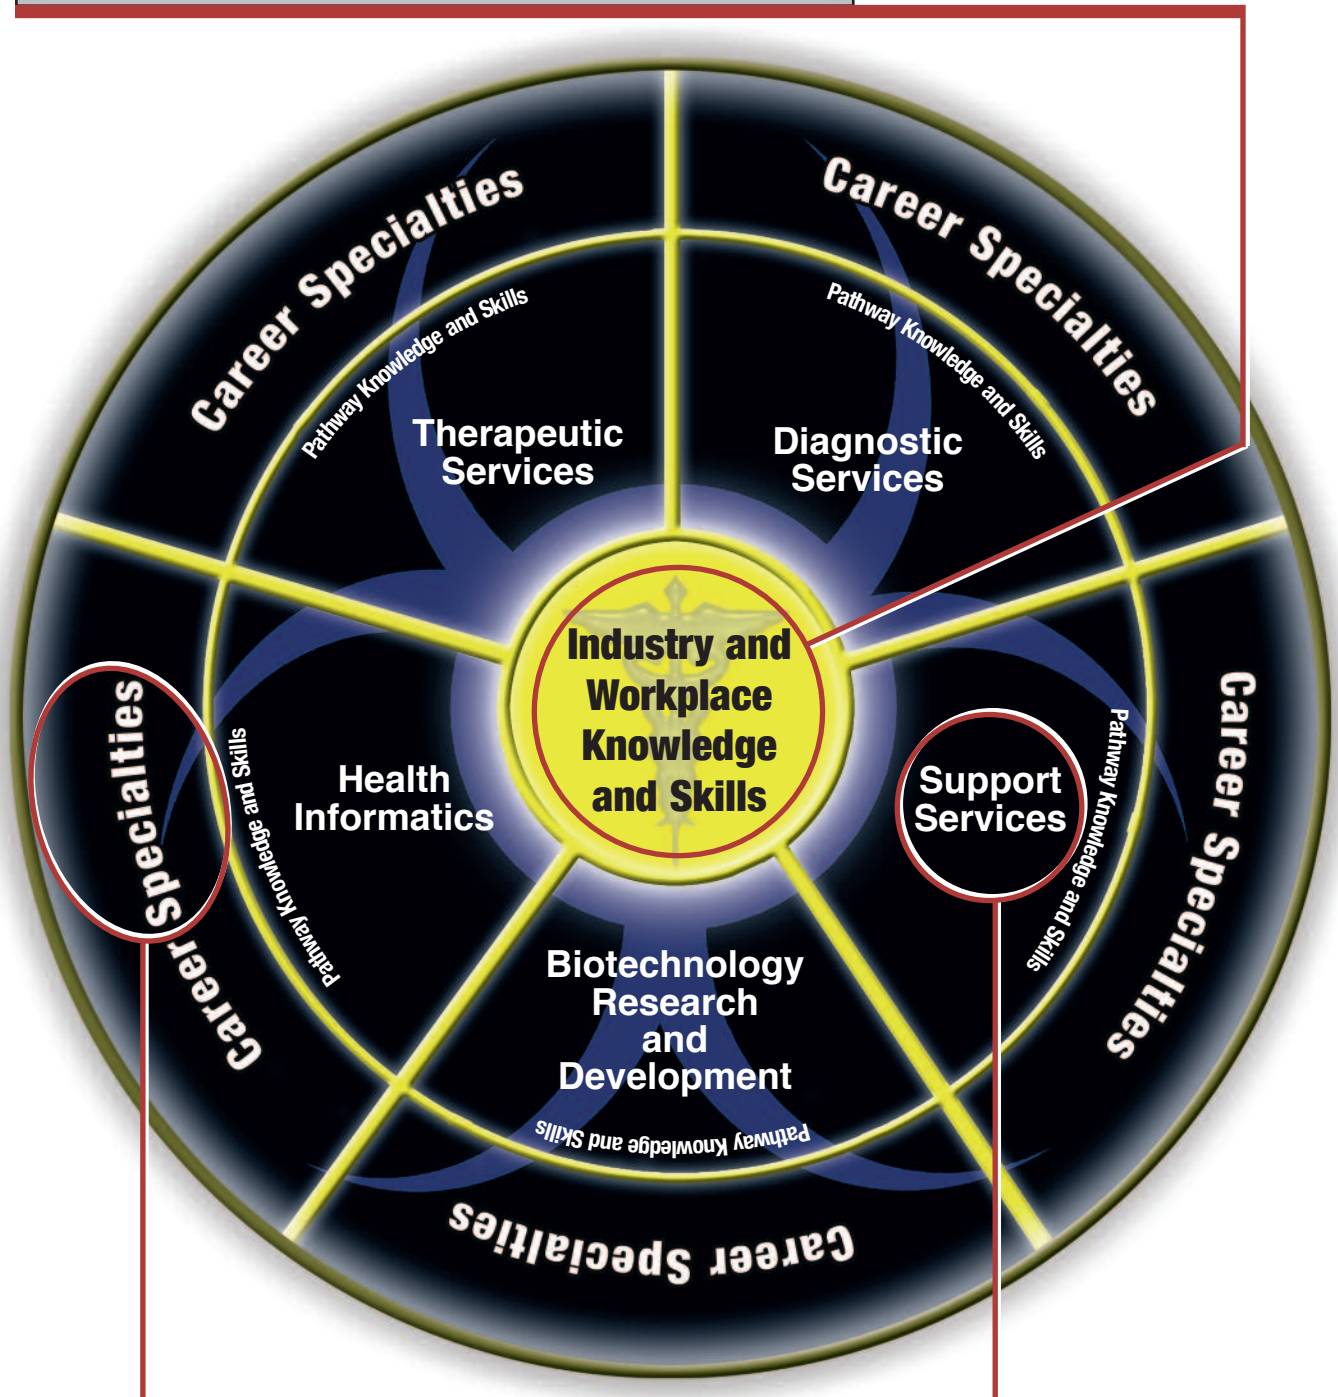

Planning, managing and providing therapeutic services, diagnostic services, health informatics, support services, and biotechnology research and development.

Career Cluster Guide

2009-2010

CAREER CLUSTER MODEL

Industry and workplace knowledge and skills are taught and reinforced in all pathways and at all levels.

Highly specific career specialty skills are taught at the postsecondary level by colleges, trade schools, apprenticeships or other training options.

High schools offer some or all pathways to students and teach pathway-specific knowledge and skills.

PATHWAY

SPECIFIC OCCUPATIONS

Therapeutic Services	<ul style="list-style-type: none"> • Acupuncturist • Anesthesiologist Assistant • Art/Music/Dance Therapist(s) • Athletic Trainer • Audiologist • Certified Nursing Assistant • Chiropractor • Dental Assistant/Hygienist • Dental Lab Technician • Dentist • Dietician • Dosimetrist • EMT 	<ul style="list-style-type: none"> • Exercise Physiologist • Home Health Aide • Kinesiotherapist • Licensed Practical Nurse • Massage Therapist • Medical Assistant • Mortician • Occupational Therapist/Assistant • Ophthalmic Medical Personnel • Optometrist • Orthotist/Prosthetist • Paramedic 	<ul style="list-style-type: none"> • Pharmacist/Pharmacy Technician • Physical Therapist/Assistant • Physician (MD/DO) • Physician's Assistant • Psychologist • Recreation Therapist • Registered Nurse • Respiratory Therapist • Social Worker • Speech Language Pathologist • Surgical Technician • Veterinarian/Vet Tech
Diagnostic Services	<ul style="list-style-type: none"> • Cardiovascular Technologist • Clinical Lab Technician • Computer Tomography (CT) Technologist • Cytogenetic Technologist • Cytotechnologist • Diagnostic Medical Sonographer • Electrocardiographic (ECG) Technician 	<ul style="list-style-type: none"> • Electronic Diagnostic (EEG) Technologist • Exercise Physiologist • Geneticist • Histotechnician • Histotechnologist • Magnetic Resonance (MR) Technologist • Mammographer • Medical Technologist/Clinical Laboratory Scientist 	<ul style="list-style-type: none"> • Nuclear Medicine Technologist • Nutritionist • Pathologist • Pathology Assistant • Phlebotomist • Positron Emission Tomography (PET) Technologist • Radiologic Technologist/Radiographer • Radiologist
Health Informatics	<ul style="list-style-type: none"> • Admitting Clerk • Applied Researcher • Community Services Specialist • Data Analyst • Epidemiologist (SHSMD Stratsociety.org) • Ethicist • Health Educator • Health Information Coder 	<ul style="list-style-type: none"> • Health Information Services Administrator • Healthcare Administrator • Medical Assistant • Medical Biller/Patient Financial Services • Medical Information Technologist • Medical Librarian/Cybrarian 	<ul style="list-style-type: none"> • Patient Advocate • Public Health Educator • Reimbursement Specialist (HFMA) • Risk Manager • Social Worker • Transcriptionist • Unit Coordinator • Utilization Manager
Support Services	<ul style="list-style-type: none"> • Biomedical/Clinical Engineer • Biomedical/Clinical Technician • Central Services Director • Environmental Health and 	<ul style="list-style-type: none"> • Safety Technician • Environmental Services Manager • Facilities Manager • Food Service Personnel 	<ul style="list-style-type: none"> • Hospital Maintenance Engineer • Industrial Hygienist • Materials Manager • Transport Technician
Biotechnology Research and Development	<ul style="list-style-type: none"> • Biochemist • Bioinformatics Associate • Bioinformatics Scientist • Bioinformatics Specialist • Biomedical Chemist • Biostatistician • Cell Biologist • Clinical Trials Research Associate 	<ul style="list-style-type: none"> • Clinical Trials Research Coordinator • Geneticist • Lab Assistant – Genetics • Lab Technician • Microbiologist • Molecular Biologist • Pharmaceutical Scientist • Quality Assurance Technician 	<ul style="list-style-type: none"> • Quality Control Technician • Regulatory Affairs Specialist • Research Assistant • Research Associate • Research Scientist • Toxicologist

Wyoming's Highest-Paying, Fastest-Growing Jobs

Title	Basic Description O*NET/SOC Description (may be truncated)	Anticipated Total 2014 Employment	
Source: See footnote #1	Source: See footnote #1	Source: See footnote #1	
Dental assistants	Assist dentist, set up patient and equipment, and keep records.	684	
Dental hygienists	Clean teeth and examine oral areas, head, and neck for signs of oral disease. May educate patients on oral hygiene, take and develop X-rays, or apply fluoride or sealants.	448	
Emergency medical technicians and paramedics	Assess injuries, administer emergency medical care, and extricate trapped individuals. Transport injured or sick persons to medical facilities.	456	
Home health aides	Provide routine, personal health care, such as bathing, dressing, or grooming, to elderly, convalescent, or disabled persons in the home of patients or in a residential care facility.	2,007	
Licensed practical and licensed vocational nurses	Care for ill, injured, convalescent, or disabled persons in hospitals, nursing homes, clinics, private homes, group homes, and similar institutions.	1,230	
Medical and clinical laboratory technicians	Perform routine medical laboratory tests for the diagnosis, treatment, and prevention of disease. May work under the supervision of a medical technologist.	192	
Medical and clinical laboratory technologists	Perform complex medical laboratory tests for diagnosis, treatment, and prevention of disease. May train or supervise staff.	312	
Medical assistants	Perform administrative and certain clinical duties under the direction of a physician.	576	
Medical equipment preparers	Prepare, sterilize, install, or clean laboratory or health care equipment.	204	
Nursing aides, orderlies, and attendants	Provide basic patient care under direction of nursing staff. Perform duties such as feed, bathe, dress, groom, or move patients, or change linens.	4,304	
Occupational health and safety specialists	Review, evaluate, and analyze work environments and design programs and procedures to control, eliminate, and prevent disease or injury caused by chemical, physical, and biological agents or ergonomic factors.	200	
Occupational therapists	Assess, plan, organize, and participate in rehabilitative programs that help restore vocational, homemaking, and daily living skills, as well as general independence, to disabled persons.	274	
Pharmacists	Dispense drugs prescribed by physicians and other health practitioners and provide information to patients about medications and their use.	712	
Pharmacy technicians	Prepare medications under the direction of a pharmacist. May measure, mix, count out, label, and record amounts and dosages of medications.	439	
Physical therapist assistants	Assist physical therapists in providing physical therapy treatments and procedures.	157	
Physical therapists	Assess, plan, organize, and participate in rehabilitative programs that improve mobility, relieve pain, increase strength, and decrease or prevent deformity of patients suffering from disease or injury.	404	
Physician assistants	Provide health care services typically performed by a physician, under the supervision of a physician.	327	
Physicians and surgeons	Diagnose, treat, and help prevent diseases and injuries.	1,360

Pre-Physical Therapy				
Pre-Physician Assistant				
Pre-Chiropractic				
Pre-Veterinary				

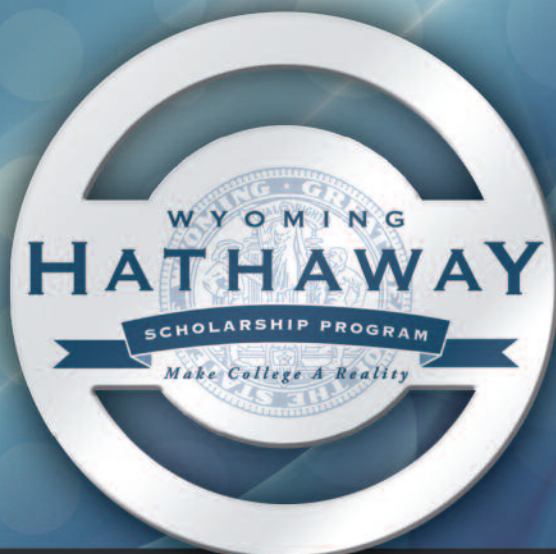

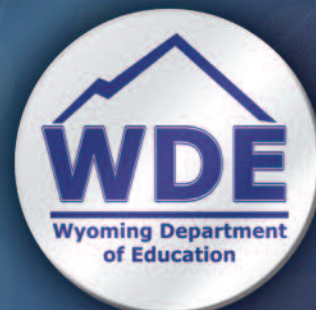

* Combination programs that cross over more than one discipline. May be signed up for in any of the listed colleges.

** Pre-professional options are undergraduate majors that provide prerequisite coursework for these professions.

Degree: An award conferred by a college or university signifying that the recipient has satisfactorily completed a defined academic or vocational-technical program of study: Associate of Arts, Associate of Science, Associate of Applied Science, Bachelor of Arts, or Bachelor of Science.

Certificate: An official document issued to a student by a college or university attesting to the training, aptitude and/or qualification gained from the satisfactory completion of a defined program of study. Credit hours vary from 0 to 60 credit hours and are awarded for attendance or specific skills gained. (Attendance requirements vary from one hour to two years of study, depending upon program requirements.)
